

AGENDA - E-HotCat Master Plan Workshop

“Presentation of results for Feasibility Study and finalization of Master Plan for implementation of the Energy Campaign for the Hotel and Catering Industry in India”

The Master Plan Workshop is a follow up of the Conference and Coordination Forum that was conducted on 28th May 2009, and will bring together the involved stakeholders in the energy and hospitality sector in India, who are members of the National Level Advisory Committee as well as the State level Technical Committees. Additionally participants from Hotel and Restaurant Associations, Tourism Development Corporations, State Designated Agencies, BEE, GTZ, Ministry of Power, Ministry of Tourism, Ministry of New and Renewable Energies, as well as Energy Consultants and NGOs will be gathered to finalize the setup of the Energy campaign for the Hotel and Catering Industry – E-HotCat.

The workshop will finalize the necessary aspects for the deployment of the Master Plan for the implementation the Energy Campaign for the Hotel and Catering Industry in India. The results of the feasibility study will be shared and discussed in this meeting. On this basis, decisions will be taken towards the finalization of the Master Plan. It will set the direction for using energy efficiency measures and technology in the hotel and catering industry and will help in the implementation of Energy Conservation Act 2001.
